November 2017

Dear Member

RENEWAL OF MEMBERSHIP

Your subscription for the year from 1 January 2018 is due soon and it would be appreciated if you could renew it as soon as possible to make our task easier. The annual subscription was increased to £12 per person at the recent AGM. Please post the renewal form overleaf, with:

- your current membership card,
- your signed cheque and
- a stamped self-addressed envelope.

You will appreciate that we do not have the funds to send a reminder to members.

If you are a Life Member you are exempt from paying but please complete the form overleaf to ensure our records are up to date.

If you provide us with an email address this will save us the considerable cost of posting communications to you, but **please make sure that you write your email address very clearly.**

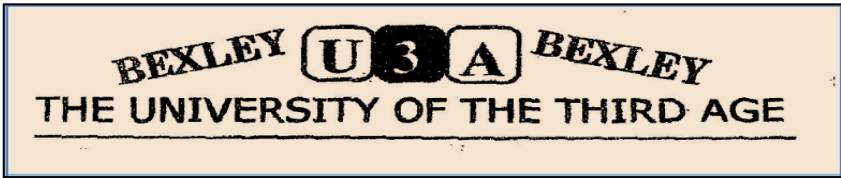

We hope that you enjoy your membership of U3A. Can **YOU** now help further in the development of our Bexley group by introducing new members, supporting our meetings and existing groups, by forming new groups and letting us know your views? It is only by letting your committee have suggestions that we can provide what you, the members, want.

REMEMBER: U3A MEMBERS ORGANISE THEIR OWN ACTIVITIES BY DRAWING ON EACH OTHER'S SKILLS, KNOWLEDGE AND EXPERIENCE.

Yours sincerely

Douglas West
Membership Secretary Bexley U3A

In the interests of economy, email is used by Bexley U3A whenever possible to distribute AGM papers, membership renewal forms and the monthly newsletter. It is essential therefore that all email addresses given to us are active and regularly monitored. Please inform us immediately of any changes to, or cessation of, your email address. Ideally you need to be able to print documents please tell us above if you cannot.

Data Protection Act

Please note that names & addresses of members are kept on a computer database for sole use of U3A. Information will only be used for the purposes of Bexley U3A and will not be passed to any other organisation or person without your consent.
